

Sigma Beauty Affiliate Program TERMS AND CONDITIONS

Please read and review this entire agreement. This is a legally binding agreement between you (affiliate) and Sigma Beauty (sigmabeauty.com). By filling out the Sigma Beauty Affiliate Program application form, you acknowledge that you have read and agree with the following terms and conditions and that you agree to be legally responsible for each term and condition.

1. Submitting Your Application

Once you submit your application you are bound by the terms of this agreement. When filling out the application you must provide accurate and complete information. Participation in the Sigma Beauty Affiliate Program is to legally advertise our website to receive commission on referral customers. We will evaluate each application and you will be notified of your acceptance or rejection. We may reject your application if we determine that your website is unsuitable for any reason.

2. Affiliate Obligations

2.1. Once your application is approved, we may re-evaluate your application at any time. The terms and conditions of this agreement will begin when your application has been submitted and will end when your affiliate account has been terminated. Affiliation can be immediately revoked if we deem your site to be unsuitable for any of the following reasons; including but not limited to:

2.1.1. False advertisements concerning Sigma Beauty

2.1.2. Spamming using your affiliate link

2.1.3. Usage of materials that infringe on any copyright, trademark or other intellectual property rights or to violate the law

2.1.4. Harassment or intimidation of others on your website

2.1.5. Content deemed to be graphic or explicit by Sigma Beauty

2.1.6. Promotion of illegal activities

2.1.7. Usage of technology to potentially divert commission from other affiliates in our program

2.2. Sigma Beauty reserves the right to review your placement and approve the usage of your affiliate links. You may use graphics and texts provided to you by us or create your own as long as it is appropriate (see condition 2.1). You may not use your own link to make purchases. You will not earn commission from orders placed under your affiliate link by customers residing in your household. You may not knowingly allow others to repeatedly use your affiliate link to earn commission.

2.3. The maintenance and updating of your site is your responsibility. We may monitor your site as necessary to ensure your content is up to date and notify you of any changes that should be made to help your affiliate performance. Your affiliation can be terminated if we find your site has not been updated in over 1 year. A written notice will be given via email should we find your site outdated. You will have 48 hours to respond with an updated site before your affiliation is terminated.

2.4. You agree that you are an independent contractor, and nothing in this agreement will create any partnership, joint venture, agency, franchise, sales representative, or employment relationship between you and Sigma Beauty. You will have no authority to make or accept any offers or representations on our behalf. You will not make any statement, whether on your site or any other of your site or otherwise, that reasonably would contradict anything in this section.

3. Promotion Restrictions

While you are free to market Sigma Beauty on your own web site, the promotion of the Sigma Beauty brand could be perceived to the public as a joint effort. Please be aware certain forms of advertising are prohibited by Sigma Beauty. Please abide by the following guidelines when planning your marketing efforts:

3.1. Using “Sigma”

“Sigma” cannot be used as a part of an affiliate’s website domain name, blog, Facebook account, YouTube channel, Twitter username or any URL associated with the affiliate account.

3.2. FTC Guidelines & Spamming

Advertising commonly referred to as “spamming” is unacceptable to Sigma Beauty and could damage our name. Affiliates must abide by all state and federal consumer protection laws and regulations including the Federal Trade Commission Act and the CAN-SPAM Act. The FTC points out that “when there exists a connection between the endorser and the seller of the advertised product” it is imperative that such a connection is “fully disclosed.” We strongly encourage our affiliates to adhere to the FTC’s rules. We also reserve the right to terminate our relationship with any non-compliant affiliates. Any pending commissions owed will not be paid if your account is terminated due to spamming or solicitation.

3.3. Unsolicited Commercial Email (UCE)

You may use mailings to contact your customers so long as the recipient is already a customer or subscriber of your services or website and the recipient has the option to opt-out of future mailings for themselves.

3.4. Copyright and Trademark Infringement

Sigma Beauty reserves the rights to seek legal action against retail partners and affiliates that infringe our copyrights, registered trademarks, and patented and patent pending products. Affiliates acknowledge that they will not promote, manufacture, distribute or sell products that replicate the exclusive designs and functions owned by Sigma Beauty. Patented and patent pending products owned exclusively by Sigma Beauty include, but are not limited to, the 3DHD™ Kabuki, 3DHD™ Precision, our exclusive cosmetic brush ferrule design, all products in the Sigma Spa® Brush Cleaning and the Dry’N Shape® line. Failure to adhere may result in removal of the Affiliate Program. Sigma Beauty will legally pursue all parties associated with the manufacturing, distribution, and sale of counterfeit or patent infringing products.

3.5. Paid Search Policies

Bidding at larger pay per click search engines (PPCSE), such as Google, Yahoo, and Bing!, is a great way to drive traffic to your website and send your commission checks even higher. Affiliates engaging in paid search marketing campaigns must adhere to the following terms and requirements:

3.5.1. Sigmabeauty.com protects its trademark and does not allow any trademark bidding on any search engine or Paid Placement service or site. This includes, but is not limited to Google, Yahoo, Bing!, Ask and other similar services. Affiliates may not bid on trademarked or registered terms and products (i.e. Sigmabeauty.com, Sigmabeauty, Sigma Beauty, Sigmax, Sigma Spa, etc.) or any phrase type, misspelling, variation or combination thereof. (See the restricted keyword list below). Any affiliates found to be trademark violators will be banned from the Sigma Beauty Affiliate Program. Affiliate will be contacted prior to the ban, however we reserve the right to ban any trademark violator from the Sigma Beauty Affiliate Program without prior notice, and on the first occurrence of PPC bidding behavior.

3.5.2. Affiliates may not use the trademark alongside with or in conjunction with the following terms: “percent (%) off”, “sale”, “discount”, or “coupon”

3.5.3. Affiliates may not use their affiliate link or any of the Sigma domains and/or URLs (including, but not limited to www.sigmabeauty.com, www.sigmamakeup.com) as the display domain or URL in the advertisement. When engaging in paid search engine campaigns, affiliates must use their own domain and/or URL in their ads.

Forbidden Display URL Example:

www.sigmabeauty.com

Approved Display URL Example:

http://www.yourdomain.com/sigmabeauty

3.5.4. You may not make any misleading or false statements in your campaigns. To avoid conflicts and to protect the integrity of the Sigma brand, Sigma Beauty reserves the right to suspend any affiliates activities and thus their commissions for phrases that Sigma Beauty determines to be untrue or inflammatory claims of

our products, services or websites. To avoid such measures, please forward all ad text and proposed keywords/phrases you wish to bid on to the Affiliate Manager for approval or editing, PRIOR to your submitting it to Paid Search Network providers or Paid Inclusion Search Engines.

3.5.5. None of the restricted words may be displayed in the Headline or Body of your advertisement. that are exclusive to other affiliates, codes provided in customer-oriented newsletters or other promotional codes from Sigma's non-affiliate program marketing efforts. Use or attempted use of any coupon code received from any source other than directly from the Sigma Affiliate Program will result in lost commissions and/or removal from the program.

3.6.2. Promotion language must be simple, easy to understand, and should include the following: The offer, the coupon code, the expiration date, and approved text link only. Publishers of the coupon code must not use "bait and switch" language, misrepresentations, or false advertising when promoting offers (i.e.: "Click here for more possible deals"). Publishers must remove invalid coupon codes and banners, or make clear to readers that the code is expired.

3.6.3. Affiliates bear the responsibility for removing any unauthorized, user-submitted codes.

3.6.4. Distributions of coupon codes on multiple sites need to be disclosed and approved by the Sigma Beauty Affiliate Program. Please email any new websites and promotions distributing Sigma Beauty coupon codes to affiliate@sigmabeauty.com for approval.

3.6.5. Failure to follow these guidelines will result in suspension and lost commissions. Upon warning, affiliates must remove all violations. Repeated abuse will result in cancellation of your affiliation and any pending commissions owed will not be paid if your account is terminated due to coupon code misuse.

3.7. "Cookie-Stuffing" Policy

"Cookie-Stuffing", forced clicks, etc. is not permitted. "Cookie stuffing" is an unlawful strategy of generating affiliate sales. (i.e.: Use of cookie stuffing to cause tracking systems to conclude that a user has clicked through a qualifying affiliate link – and to pay commissions accordingly- even if the user has not actually clicked through any such link). Affiliates found using, employing or receiving this strategy will be immediately revoked and all commissions will be forfeited and conditions.

3.8. Adware & Toolbars

The terms a "Parasiteware™" and "Parasitic Marketing" shall mean an application that (a) through accidental or direct intent causes the overwriting of affiliate and non-affiliate tracking cookies through any other means than a customer initiated click on a qualifying link on a web page or email; (b) intercepts searches to redirect traffic through an installed software, thereby causing, pop ups, commission tracking cookies to be put in place or other commission tracking cookies to be overwritten where a user would under normal circumstances have arrived at the same destination through the results given by the search (search engines being, but not limited to, Google, MSN, Yahoo and similar search or directory engines); (c) set commission tracking cookies through loading of Sigma Beauty site in IFrames, hidden links and automatic pop ups that open Sigma Beauty's site; (d) targets text on web sites, other than those web sites 100% owned by the application owner, for the purpose of contextual marketing; (e) removes, replaces or blocks the visibility of affiliate banners with any other banners, other than those that are on web sites 100% owned by the owner of the application.
